ALTAR SERVER & ACOLYTE PILGRIMAGE

On Saturday, October 17th, twenty of our Altar boys participated in a private Mass at the newly renovated Chapel of the Benedict XVI Institute at St. Patrick's Seminary. Fr. Samuel Weber, Director of the Benedict XVI Institute of Sacred Music and Divine Worship, Archdiocese of San Francisco invited the St. Margaret Mary Altar Boys to St. Patrick's Seminary for the Holy Mass and a short tour. Rev. Rafal Duda celebrated the Mass, and our very own past altar server & acolyte, now Seminarian, **MICHAEL SULLIVAN**, gave the boys an incredible tour. After the Mass, breakfast & tour of St. Patrick's Seminary the altar boys headed to California's Great America Amusement Park for a day of fun and good times!

Thank you to those parents that chaperoned and drove: Chuck Raeder, John Kennedy, Linda Fealy, John & Valerie Burkart and Rev. Rafal Duda. Remember: Please keep Seminarian Michael Sullivan in your prayers!

Walter Wagoner Honored

In October of this year, Walter was presented with a certificate signed by our bishop, The Most Reverend Michael C. Barber, SJ and presented by Rev. Rafal Duda for 60 years of faithful service at St. Margaret Mary Church 1955 – 2015... Many of the St. Margaret Mary Altar Boys signed his framed certificate and joined Walter for a cake & sparkling cider reception. Congratulations Walter!
